

Funding Opportunities for your SuperKiddo

Many families want to begin ABA therapy but feel unsure about funding, insurance, or where to start. At *SuperKids*, we work with families every single day to make sure therapy feels possible, not overwhelming. That's why we proudly accept and guide families through multiple grants and support programs designed to help children access high-quality care.

Below you'll find a list of trusted programs that can reduce costs, cover services, or provide essential tools for communication. These options can help your *SuperKiddo* begin therapy sooner and with greater confidence.
